Sorry for the shotgun addressees but I wanted to make sure this got thru. Based on a conversation I just had with [REDACTED], I am forwarding what Penguin calls its "second pass" c(b)(6) my text. As you can see, it is very much in final book form. They are going to the printer on 18 Dec. Not sure if "second pass" equates to "galleys" or not. I will be in NYC tomorrow for a meeting with Penguin so please advise if you need anything more. Few if any changes (style and spelling) from what you have previously seen. Note password below

Subject: Playing to the Edge - second pass ready for review

Dear Mike,

(b)(3) NatSecAct

I'm very pleased to send the second pass of PLAYING TO THE EDGE, attached here if you'd like to review the instances where you'd made changes to the first pass. Once again, the password for the second pass is [REDACTED]. The index is attached for review as well. I apologize for the quick turnaround here, but if you would like to make any changes, please do send them to me by December 10.

Thanks so much, and please don't hesitate to be in touch if you have any questions.  
Meghan
